The JCI UK and The Prince's Trust Enterprise Project

JCI is the ultimate “learning by doing” organisation. This is your chance to put your entrepreneurial spirit to the test!

What is it?

- ★ The JCI UK Enterprise Project forms part of The Prince's Trust Million Makers scheme - a national campaign to raise the £1 million that charity needs every week to continue its work.
- ★ The project will see teams of JCI members planning, promoting and implementing mini enterprises to turn a seed funding investment of £50 into a profit for The Prince's Trust.
- ★ The team which raises the most money will be recognised as part of JCI UK's National Convention at the end of the year.

What will we gain?

- ★ Get hands on experience of entrepreneurialism: Develop real life business skills in:
 - Leadership
 - Organisation
 - Negotiation
 - Communication
 - Planning
 - Finances
 - Marketing
- ★ Become a part of something huge. A long list of blue chip companies recognise Million Makers as a top rated learning and development initiative.
