

JCI Presenter

The JCI Effective Presentation Course

Want to be a World Champion Speaker?

Want more confidence when speaking publicly or at work?

Learn how to present yourself and your ideas effectively?

Then come along to *THE JCI PRESENTER* course in London

WHAT IS JCI PRESENTER? It is a 1-day course designed to help those who want to enhance their skills as a presenter. This course focuses on the concepts of creating and delivering an effective presentation utilizing visual aids & strong delivery methods, while keeping in mind the audience needs.

COURSE CONTENT

Module 1: Presentation Types

Participants will tell the audience about their most memorable experience. You will learn about the different types of presentations that you may have to make.

Module 2: Audience Analysis

A short module which covers the importance of understanding who you will speak to, what they know, what they should be told and what pre-conceptions or prejudices they may hold.

Module 3: Presentation Content

This Module will teach you how to prepare presentation content to keep audience attention. Participants will work on a presentation.

Module 4: Effective Delivery

This Module will explain the different techniques for effective presentation delivery.

Module 5: Presentations

Each participant will deliver their presentation to the audience and positive feedback will be given

TRAINERS

Both of your trainers are professional presenters and coaches in their day jobs, and both have been President of their respective Chambers.
